FISCAL ANALYSIS

Assumptions:

1. This bill will have no impact on the state.

Technical Notes:

1. Section 1, subsection (9) defines "subdivision" and uses the same language found in 76-3-103, MCA. If the intent is to mirror the language to keep the definition of subdivision uniform the bill should be amended to define subdivision by reference because the definition of subdivision in 76-3-103, MCA, is being amended in other legislation.
